No Problems....Just Solutions

The Hassle-Free Freight Solution

- We take the hassle out of freight management with one point of contact for all your freight needs.
- ▶ We provide seamless communication with one dedicated account manager from dispatch to your door.
- ▶ We regularly review the market to provide you with competitive, quality freight forwarding and transport solutions.
- ▶ We take care to select the best freight agents and services to suit your specific shipping requirements
- ▶ We give you back time by managing all communication and paperwork with freight agents & customs brokers and can liaise with your suppliers and site staff as needed.
- ▶ We provide hands on tracking of each shipment from pick up through to delivery.
- ▶ We ensure smooth sailing for all your urgent freight deliveries through our distinctive pre-shipment risk assessment.
- ▶ We provide professional, expert service and advice based on 30 years of industry knowledge and a global freight network.

A large cargo plane, likely a Boeing 747, is shown from a low angle, flying towards the viewer. The plane is white with a blue stripe along the fuselage. It is flying over a city with a river and a bridge in the background. The sky is blue with white clouds. The text "Air Freight" is overlaid in the top right corner of the image.

- FCL
- Consolidation
- Customs Clearance
- Specialised packing and unpacking
- Warehousing/ Storage
- Duty reviews on past imports (up to 4 years old)

Testimonials

ORORA FIBRE PACKAGING

"Team Express offer outstanding customer service, they respond promptly to requests for quotes, communicate regularly on the ships position and status, prepare off loading documentation that can expedite custom clearances and offer a full turnkey solution from supplier to customer. In my role I need a supplier that can provide me with confidence that what they offer can be delivered and Team Express have done that for over 20+ years that I have dealing with them."

**Mark Krygger, Manager Packaging Systems,
Orora Fibre Packaging**

OJI FIBRE SOLUTIONS

"The best thing about Team Express is that the person I speak to is the person that will look after the job for me from start to finish. Unlike other companies where you deal with support staff first, with Team Express the first call is the only one I need to make. They understand what I need straight away. They are people who care about getting the job done right and they have great knowledge and a great network. With worldwide industry connections, it doesn't matter where I need to move something from or to Team Express can handle it without a problem..."

**Peter Henley, Engineering Manager,
OJI Fibre Solutions**

VISY AUTOMATION

"Team Express offer a very good service which is personalised, comprehensive and professional. The staff at Team Express are available and respond promptly. They understand well what's required when shipping or transporting our packaging machinery and related equipment from overseas to remote locations in Australia. Their pricing is competitive and reliable. They have a good track record of delivering on time and on budget that inspires confidence. The good outcomes achieved reflect a high level of care and attention to detail. "

David Kernaghan, Visy Automation Group Projects Manager

NU SCIENTIFIC

"...Team Express takes the worry out of shipping freight which is one less concern for my business. Once booked I have no concerns over the shipment as I am kept up to date with delivery and any likely problems. Nu Scientific has used Team Express for over 14 years and will continue to use their service well into the future. I have no hesitation in recommending them for all and any freight requirements..."

Graeme McDonnell, Managing Director, Nu Scientific
